
JOB TITLE:	Procurement Director – Market Research Services	EXPERIENCE:	15+ Years
-------------------	---	--------------------	-----------

Department/Group:	Market Research/Procurement	Location:	Noida, India
--------------------------	-----------------------------	------------------	--------------

ROLE AND RESPONSIBILITIES

- Lead the procurement process for market research services, including vendor selection, contract negotiation, and supplier management.
- Develop and execute procurement strategies to ensure cost-effective purchasing and timely delivery of research services.
- Collaborate with internal teams (sales, operations, and finance) to align procurement with business needs and project timelines.
- Monitor market trends, evaluate supplier performance, and ensure compliance with procurement policies.
- Maintain strong relationships with key vendors and external partners to foster long-term collaboration and innovation.
- Implement risk management strategies to minimize procurement-related disruptions.
- Mentor and manage a team of procurement professionals to optimize performance.

LOOKING FOR SOMEONE WITH

- Bachelor's degree in Business, Supply Chain Management, or a related field (MBA preferred).
- 15+ years of procurement experience in the market research industry, with a proven track record in managing large-scale sourcing projects.
- Strong negotiation, analytical, and strategic thinking skills.
- In-depth knowledge of market research methodologies and service procurement.
- Exceptional communication and leadership abilities.
- Experience with procurement software and contract management tools.
